

# Country Living

June 2015

## KEY

We stitched these patterns on 16-count Aida cloth with two strands of embroidery floss. To create each guitar string, thread one strand of silver embroidery floss (DMC E 415) from the top of the guitar to the bridge; secure thread ends on the back of the project.

● Light Brown: DMC 436    ◆ Dark Brown: DMC 938    ▲ Silver: DMC E 415
